RE: U.S. Oil Recovery Site Administrative Order on Consent

Dear Sir/Madam:

This letter is a follow-up to the General Notice letter that was mailed on December 20, 2012. While mailing the General Notice letter to a number of different entities, the EPA inadvertently omitted the information behind Enclosure B. This information included evidentiary documentation for each entity receiving the letter and was to be part of the compact disk you received. Please add the enclosed document to your letter as Enclosure B.

Thank you for your attention to the issue of the U.S. Oil Recovery Site cleanup and the General Notice letter, and please feel free to contact me at 214-665-7480, if you have questions regarding this Site. If you have legal questions, please have your attorney contact Edwin Quinones at 214-665-8035.

The EPA looks forward to working with you and other members of the PRP group in the cleanup efforts of the U.S. Oil Recovery Site.

Sincerely,

Cynthia K. Brown
Removal Enforcement Coordinator
